

We are seeking a passionate and talented individual to join our team in the role of

### **Video Producer**

#### **Who is InteliSys Aviation?**

*Named the New Brunswick Exporter of the Year, Top 10 Most Innovative Aviation & Aerospace Solution Providers 2018 and voted one of the Best Places To Work In Atlantic Canada, InteliSys Aviation is the best-kept secret in the Maritimes.*

*InteliSys provides airline passenger reservation and cargo management software to airlines of all sizes and business models, serving over 45 airlines from around the globe. InteliSys boasts an open platform system that gives airlines the freedom to do more, so they can maximize their value and growth. Our team is passionate about helping our airline clients thrive, while enabling exceptional passenger experiences for air travellers around the globe!*

*We are currently looking to add a **Video Producer** to our growing team. The successful candidate will have a background in independent video production, a knack for storytelling and a passion for creating viral content.*

#### **You:**

- Crushed it in school and are proud of it (are a University or College Graduate)
- Are someone who consistently exceeds expectations on projects
- Love every aspect of video creation
- Have a well-rounded skill set in all areas of video production. Can easily take an idea and turn it into a finished cinematic work of art
- Have great interpersonal skills and can get others excited with your enthusiasm
- Love to ask great questions
- Seek a high level of excellence in everything you do
- Are a self-starter, motivated and dedicated
- Are self-driven and confident in your work
- Love working with others and bringing ideas together

#### **We:**

- Value your ideas, talents, and work ethic more than your experience or background
- Love to ask “why not?” and “what is stopping us?”
- Celebrate a great idea
- Are passionate about helping our team members grow and develop throughout their careers
- Appreciate great questions
- Make decisions based on data and evidence regardless of the presenter’s job title
- Are constantly striving to improve and make our company better every day

- Have a tight-knit team who love to laugh and have fun together
- Put our airline customers first and have a deep appreciation for the aviation industry

*We have big expectations for ourselves. We need amazing people like you to help bring out the best in us, and we promise to help bring out the best in you. Along the way we will work through problems together, provide constructive feedback and ensure that you have an understanding and supportive environment that you love coming to every day.*

*We work hard but strive for a healthy work-life balance for all of our employees; offering an exceptional benefits program, free beer on Fridays, and a strong corporate culture with many team outings...who knows, you might even find yourself on a canoe trip or whale watching!*

### **Responsibilities**

- Being a team player
- Producing amazing videos that take our brand image to the next level
- Turning ideas into storyboards & drafts
- Writing interview questions, scripts and video plans
- Edit and turn raw footage into high quality videos
- Collaborating with, and filming team members and clients
- Understanding and executing best practices in all aspects of video production

### **Skills to Succeed**

- Adobe Creative Suite (Premiere Pro, Photoshop and After Effects are essentials)
- YouTube Creators Studio
- SEO for video on Google
- Instagram TV
- Facebook video
- DSLR video (at a minimum)
- Exceptional human communication skills
- Entrepreneurial mindset
- Self starter (REQUIRED)

If you believe you are a good fit for a fast-paced and challenging work environment, please quote "**Video Producer**" in the subject line and submit your resume along with a **1-2 minute video cover letter** to our team at [info@intelsysaviation.com](mailto:info@intelsysaviation.com)

*We thank all applicants for their interest, however, only those selected for an interview will be contacted.*
